

YOUR MIND wants to  
**CONTROL**  
EVERYTHING.

*Whose Mind Is It Anyway?* will help you learn how to separate what you want from what your brain wants and how to do less when your mind is trying to trick you into doing more. In a colorful, funny, and nonthreatening way, it answers the difficult question of how we can take control of our self-defeating behaviors. Filled with charming illustrations, this book will be the friendly voice in your head to counter your negative thoughts, and it will teach you how to finally be at peace with all that you are.
